TOTAL VALUE OF FIXED ASSETS **8,283.85**

[1] This asset was purchased for £1 but the Clerk revised the figure to £2,000 to reflect the likely commercial value of the asset. This figure has now been revised down from £2,000 in 2015/16, to £1 in 2016/17, as this was raised as an audit issue by BDO LLP.

[2] This land was originally listed with 'agricultural value' against it in the Asset Register. In fact, the land would have been valued at £2,000 per acre in 1996, when assets were valued for insurance purposes.
